**CURBSIDE RECYCLABLES & GRASS COLLECTION  
REMINDERS**

Residents are reminded LANDSCAPING BARRELS AND CONTAINERS OVER 30 GALLONS EXCEEDING 50 POUNDS MAY NOT BE UTILIZED FOR RECYCLABLES OR GRASS. Although residents may be able to drag these over-sized landscaping barrels to the curb, lifting these barrels 3 to 4 feet off the ground to empty grass or recyclables into a recycling truck is made impossible due to the weight these barrels can hold.

Please note, there is never a maximum on the number of recycling containers placed curbside for collection.

Recyclables must be placed at the curb prior to 6:00 am of your pick up day but no earlier than 6:00 pm the night before your pick up.

THANK YOU FOR RECYCLING!
