

INSTRUCTIONS TO APPLICANT FOR A FENCE APPLICATION TOWNSHIP OF WYCKOFF – PLANNING BOARD

1. This instruction sheet serves to outline the basic application procedure when applying for a fence permit in a residential zone. If you are applying for a variance to perform a modification of the property it is because the Wyckoff Code does not permit this change. Therefore, a variance application must be submitted with your site plan application. Each application is judged on its own individual merits. The Board staff cannot predict the probability of success. An applicant should be cognizant of this before an applicant chooses to expend the time and resources to make an application.
2. The applicant will find attached to the Instruction Sheet the following items:
 - a. Minor site plan application and variance application
 - b. Schedule of Dimensional Requirements for completing the variance application
 - c. Request for list of property owners within 200'.
PLEASE NOTE: there is a \$10 fee for this list. The list can take up to 7 days to process.
 - d. Suggested notice to homeowners within 200' feet and legal advertisement
3. Your application must be filed; all fees and escrow monies received, in the Planning/Zoning Board office, Room 110 during the hours of Monday through Friday from 9:00 a.m. to 4:00 p.m. along with the completed application.
4. The applicant is required to submit **16 copies each of the following:**
 - a. Application
 - b. Survey where the proposed fence will be located
 - c. A description or picture of the type of fence to be erected;
 - d. Photographs of the area where the fence will be located;
 - e. A statement from the property owner granting permission for the Board to enter the subject premises for purposes of inspection in relation to the application.
5. Please note: In residential zones, fences installed in the front yard shall be landscaped along that portion facing a street with hedge or shrubs of a height equal to at least half the height of the fence and set on three-foot centers or closer according to Wyckoff Code 168-20F(4).
6. The Township Engineer will review the application for completeness and will draft an engineering report. Additional information may be required during this review process.
7. A public hearing will be required for this application. A legal advertisement similar to the suggested notice attached will need to be published in the Ridgewood News or the Record at least ten (10) days prior to the date of the public hearing. All property owners within 200 feet must also be notified ten (10) days prior to the meeting. If the Wyckoff list requested indicates that any property is located in a surrounding community(s), you are to also obtain a list of the property owners within 200 feet of the property in that community since all property owners must be notified.
8. Serve the property owners at least ten (10) days prior to the Planning Board regular meeting in the following manner:
 - a. By giving a copy personally, or by certified mail
 - b. If it is a non-resident, by mailing a copy by certified mail to the last known address
 - c. If a partnership, by serving any partner; if a corporation, by serving any officer
 - d. **Utilities:** Please note that you will be given a list of utilities. All utilities **must** be notified for your application to be scheduled for the public hearing.
9. Submit an Affidavit of Proof of Service and Proof of Publication at least one week prior to the public hearing to the Planning Board office.
