Wyckoff Environmental Commission Offers Speaker on Organic Gardening

Wyckoff Environmental Commission Chair Brian Bigler and the Environmental Committee has scheduled a program on organic gardening at their March 15, 2010 meeting starting at 7:00pm in the 2nd floor meeting conference room at Wyckoff Memorial Town Hall, 340 Franklin Ave., Wyckoff, NJ 07481.

Mark Borst, president and founder of Borst Landscape and Design of Allendale, will offer tips about organic lawn and garden care. The presentation will cover the central concepts of organics, and how soil health affects plant life. Mr. Borst is a graduate of Rutgers with a degree in landscape architecture. He has 20 years of experience as a landscape professional.

The public is invited to attend the first portion of the meeting, which features the speaker. For more information, contact Susan Schilstra at 201-891-7000 ext. 117.
