**NEWTOWN ROAD CLOSING AND DETOUR**

On Thursday, September 2, 2010 Newtown Road will be closed to traffic from 9 am to Noon to allow Public Service Electric & Gas's tree contractor to remove a large tree limb over power lines at the corner of Newtown Road and Wilson Place.

Traffic will be detoured to Cedar Hill Avenue. Access to residents living on Newtown Road or adjacent streets will be available from Wyckoff Avenue or Cedar Hill Avenue, but not from both streets.

Motorists are encouraged to follow the detour route; plan an alternate route; plan for extra travel time and always drive carefully and with caution.
