

**Public Service Announcement**  
**Township of Wyckoff**

For Immediate Release  
November 28, 2011

**REMEMBER TO POST YOUR SNOW MARKERS**

The beginning of December is the time each year residents post snow markers with reflective lenses at the edge of their lawn. These snow markers help the snow plow operators distinguish the edge of roadways since most roads in Wyckoff do not have curbs. Posting of snow markers help protect your lawn as well as asphalt curbing from damage from snow plow operations. Damage to lawns or asphalt curbs from snow plow operations at properties where homeowners posted snow markers will be repaired by the DPW. No repairs will be made where snow markers are not posted.

Snow markers should remain until the end of March. Please help by posting snow markers!

Thank you.
