Overexpenditures*								

Explanations of Appropriations for  
"Other Expenses"

The amounts appropriated under the title of "Other Expenses" are for operating costs other than "Salaries & Wages."

Some of the items included in "Other Expenses" are:

Materials, supplies and non-bondable equipment;

Repairs and maintenance of buildings, equipment, roads, etc.,

Contractual services for garbage and trash removal, fire hydrant service, aid to volunteer fire companies, etc;

Printing and advertising, utility services, insurance and many other items essential to the services rendered by municipal government.

\*See Budget Appropriation items so marked to the right of column "Expended 2015 Reserved."

EXPLANATORY STATEMENT  
BUDGET MESSAGE

The total 2016 Municipal Budget has been limited to \$18,659,989. A total growth of 2.08% over the 2015 budget appropriations. The 2016 budget is below the allowable 3.5% Budget Appropriations CAP which limits spending increases on specific appropriations.

P.L. 2011, c. 38 (S-2068) provides a dedicated line item on property tax bills for library funding. It does not increase a property owners tax but rather changes the way in which the mandated library contribution is funded by removing it from the municipal tax levy (reducing the municipal tax) and creating a separate tax specifically for the library. This change is included in this budget.

The 2016 budget reflects an estimated tax rate increase of 4/10th of 1cent. It is below the allowable 2% Tax Levy CAP mandate. A court order revaluation was conducted for tax year 2015. The total net valuation in 2016 is \$4,645,626,700 and an average home value is \$778,100.

The municipal tax rate per \$100 of assessed value is:

	2016 Tax Rate	2015 Recasted Tax Rate	Increase
Municipal Tax Rate	.245	.241	.004

The burden of both CAP's requires difficult decisions to be made in order to provide services such as; curbside garbage and recycling collection, police and fire protection, road resurfacing, recreation programs, street lighting, school crossing guards, leaf collection, sanding and snow plowing. Increasing mandated costs imposed by the State and other "beyond our control" increases such as; pension costs, state mandated expenses, health care increases and the loss of revenues due to the economy, have made it necessary to meet these restrictive CAP's by reducing some services and reducing our overall work force. Under these mandated CAP restrictions, we are forced to make very difficult decisions as to what services to provide the residents within our community while meeting the ever increasing requirements of the State. In essence, the CAP's "tie our hands" as to what services we can provide and what services we have to provide without consideration to the individual needs of our municipality and our residents. In the future, under these CAP laws, the real potential exists to have to cut programs and possibly layoff employees in order to meet the burdensome CAP mandated restrictions and the State's mandated cost increases and revenue losses.

On November 8, 2011, a referendum approving a .005 cents per \$100 Municipal Open Space Tax was approved by voters. It is included herein.

In summary, this budget demonstrates the Township of Wyckoff's commitment to limiting the growth of expenditures through responsible fiscal management while maintaining the existing levels of services Wyckoff residents have come to expect.

The Township of Wyckoff does not have a provision which allows an employee to accumulate absence time. In accordance with NJAC 5:30-15 and accounting and budgeting practices as outlined in Finance Notice CFO 2002-1, the Township does not compensate absences for any employee.

Pursuant to Chapter 78 of the Laws of 2011 local governments shall collect a percent of total premium to offset employer health care costs. This law applies to all employees and will become effective for contractual employees upon expiration of their current salary contracts which were in effect at the time the law was enacted. Setforth below is information required to be disclosed pertaining to employee group insurance for 2016:

Health Insurance Appropriation	\$ 2,272,182
Less Employee Contributions:	
Non-Contractual Employees	-\$ 88,000
Police Contracted Employees	-\$ 22,000
Public Works Contracted Employees	-\$ 18,000
Total Employee Contributions	-\$ 128,000
Employer Share per Budget (incl health benefit waivers)	\$ 2,144,182
Employer Share per Budget Out of CAP	\$36,045.00
Employer Share per Budget In CAP	\$2,108,137.00

In accordance with NJSA 40A:4-10 current year budget (upon adoption) as well as the Annual Debt Statements and Annual Financial Statements.

A public hearing has been scheduled for March 15, 2016 at 8:00 p.m. in the municipal court room at which time the governing body will be available to answer questions regarding this budget.

Respectfully,  
The Governing Body of  
The Township of Wyckoff

NOTE: Sheet 3b

Surplus Balance Remaining	2311700	1,472,236	00

(Important: This appendix must be included in advertisement of budget.)

2016

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.S.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.  
If no Capital Budget is included, check the reason why:

- ☐ Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- ☐ No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.  
Check appropriate box for number of years covered, including current year:

- ☐ 3 years. (Population under 10,000)
- ☒ 6 years. (Over 10,000 and all county governments)
- ☐ \_\_\_\_ years. (Exceeding minimum time period)

- ☐ Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

## **NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM**

**The Township of Wyckoff Capital Improvement Program document estimates probable costs and methods of financing in order to establish a planned program that is realistic and capable of being implemented in future years. This planning process avoids costly decisions since it serves to evaluate capital needs annually.**
