INSTRUCTIONS TO APPLICANT FOR SITE PLAN APPLICATION TOWNSHIP OF WYCKOFF – PLANNING BOARD

- 1. This instruction sheet serves to outline the basic application procedure. The purchase of a copy of the Municipal Land Use Regulation (available at the Clerk's office, Room 102) would assist the applicant in both time and expense through familiarity with Township standards and requirements. Each application is judged on its own individual merits. The Board staff cannot predict the probability of success. An applicant should be cognizant of this before an applicant chooses to expend the time and resources to make an application. If you are applying for a variance to perform a modification of the property it is because the Wyckoff Code does not permit this change. Therefore, a variance application must be submitted with your site plan and subdivision application.
- 2. The applicant will find attached to the Instruction Sheet the following items:
 - Application & Completeness checklists pursuant to Zoning Code Chapter 46-40. B, C, E (see respective checklists for submission)
 - b. Definitions of applications & Schedule of Dimensional Requirements
 - c. Request for list of property owners within 200'. PLEASE NOTE: there is a \$10 fee. This list can take up to 7 days to process.
 - d. Suggested notice to homeowners within 200' feet and legal advertisement
 - e. Affidavit of notice served
 - f. Sewer application and Standards of Construction (if applicable)
- 3. Your application must be filed; all fees and escrow monies received, in the Planning/Zoning Board office, Room 110 during the hours of Monday through Friday from 9:00 a.m. to 4:00 p.m.
- 4. The applicant is required to submit an initial 2 to 6 **copies each** of the completed and signed application and plat. Additional copies may be necessary during the review process by the Board when required. **ONCE COMPLETE**, an additional 16 sets of all documents are required for submission. **Please note:** If the property in question is located on a County Road, you are required to apply for Bergen County Planning Board approval. Please familiarize yourself with the County's Planning Board procedure and schedule of meetings.
- There is a review period of 45 days from the date of filing. Further time may be requested by the Board as consented to by the applicant by signing an extension of time to act form. During this period the application and plat will be reviewed in-house. The Township Engineer/Municipal Engineer Representative and the Planning Board will review the application at the next scheduled work session meeting. An application for development shall be deemed to be "complete" when the Board takes an action declaring that all requirements for submission have been met, that all necessary documentation has been provided which is necessary to review pursuant to Zoning Chapter 46-40 Checklists.
- 6. When the application has been deemed "complete" at the work session meeting, the Board will then assign a public hearing date where the applicant and its professional should attend. A public hearing requires that a legal advertisement similar to the suggested notice attached, be published in the Ridgewood News or the Record at least ten (10) days prior to the date of the public hearing. All property owners within 200 feet must also be notified ten (10) days prior to the meeting. The list of homeowners within 200 feet may be obtained from the Planning/Zoning Board office with a payment of a \$10 fee. If the Wyckoff list requested indicates that any property is located in a surrounding community(s), you are to also obtain a list of the property owners within 200 feet of the property in that community since all property owners must be notified.
- 7. Serve the property owners at least ten (10) days prior to the hearing in the following manner:
 - a. By giving a copy personally, or by certified mail
 - b. If it is a non-resident, by mailing a copy by certified mail to the last known address
 - c. If a partnership, by serving any partner; if a corporation, by serving any officer
 - d. **Utilities**: Please note that you will be given a list of utilities. All utilities **must** be notified for your application to be scheduled for the public hearing.
- 8. Once an application has been deemed complete and the public hearing and/or further consideration of the application have begun by the Board, the Board may request additional information or revised information from the applicant. New information shall be provided to the Board no later than ten (10) business days prior to the next Planning Board meeting.
- 9. It is the applicant's choice and/or responsibility to provide for a Court Reporting Service to be at the meeting during any discussion of the applicant's application and the cost shall be borne solely by the applicant.
- 10. There will be an internal check to determine that all property tax, sewer usage fees and sewer assessment charges are paid. Outstanding debts may prohibit the application from being heard.
- 11. Summit an Affidavit of Proof of Service and Proof of Publication at least one week prior to the public hearing to the Planning Board office.
