

SOLICITORS

Homeowners should be informed of the procedures that solicitors must follow in the Township of Wyckoff. Most importantly, all solicitors are required to obtain a license from the Wyckoff Police Department. A homeowner should be able to see these licenses displayed by the solicitor. The hours permitted to conduct a house-to-house solicitation are between 9am and sunset.

If you do not want any solicitation at your home, simply post a sign stating that no solicitors are permitted on your property. All licensed solicitors are required to obey such notices.
