**Recreation Director’s Report:**

**2017 Football Season Complete:**

The Board Chairman advised that the 2017 football season had come to an end. Our teams reached the playoffs in the top division this fall but were all defeated in the semi-final playoff round. All of our teams from PeeWees to Seniors at both the “A” and “B” levels had the same amount of games this year or were within one game of any other team. Every team was fortunate to have a tremendous atmosphere at their home games with the Football Boosters with the tremendous support of parent volunteers playing music, announcing the games, and selling food and clothing at every game that the volunteer parents signed up for which accounted for all but one or two games on the entire season. The Director and the leaders of the football program will meet next month to discuss future improvements for the program.

**Travel Basketball Tryouts Complete:**

The Board Chairman reported that tryouts for the 2018 winter Travel Basketball teams are complete. The Department will, once again, have a 3<sup>rd</sup> grade boys team and two teams (A and B) from the 4<sup>th</sup> grade level through the 8<sup>th</sup> grade level. On the girls side, we have teams from 3<sup>rd</sup> grade through 8<sup>th</sup> grade, including two teams (A and B) at the 7<sup>th</sup> grade level where 24 girls tried out. The tryout evaluation process by the independent third party vendor from outside the area was, once again, a success. The teams have begun practicing and will start playing games in December.

**Recreation Basketball Head Coach Recommendations:**

The Board Chairman presented a list of Recreation Head Coaches for boys and girls basketball from 3<sup>rd</sup>-8<sup>th</sup> grade to the Board. After a brief review of the names, Chris Beane motioned to approve all of the recommended coaches and Tom Valente seconded the motion. All were in favor.

**Fall Seasons Winding Down:**

The Chairman reported that, in addition to Football, Recreation Soccer and girls Volleyball are also winding down. Both programs are running smoothly and positive feedback continues to come in for the girls Volleyball program, one of our newest additions to our expansive list of programs. Coach Parks continues to do an amazing job with this program. Several of the girls that are participating have found a new passion in volleyball because of our program and are moving onto club volleyball in order to prepare for a potential high school career in the sport.
