# A Message from the Township Committee

The Wyckoff Township Committee:  
Rudolf E. Boonstra, Thomas J. Madigan,  
Peter J. Melchionne, and Timothy E. Shanley

It is with great pride that we present you with the 2023 edition of the Wyckoff Township municipal calendar highlighting the historic homes of Wyckoff.

This year we focus on the 13 enchanting and distinctive homes we call the “Historic” Homes of Wyckoff. These treasured landmarks have acquired the revered title of “Historic Homes” on the National Register of Historic Places in New Jersey, the official list of the nation’s historic resources that are worthy of preservation. To be eligible for this special designation, they must meet strict criteria for evaluation to be considered historic. For example, was the property associated with people, events, or activities that were significant in the past? Does the home embody unique physical characteristics such as the type of structure, design, architecture, or landscaping? Does the home hold information that is important during a period in time?

The legacy of these early stone houses can be dated as far back as the 18th century during the early 1700s, when many of these timeless structures were rooted in early

Dutch culture as the first European settlers emigrated to Wyckoff. Most of these homes, with their one room origins, have been acquired by residents and transformed throughout the years but still retain enough of the original fabric of Wyckoff’s history. Perhaps the crown jewel of Wyckoff’s Historic Homes is one such home, the Van Voorhees -Quackenbush Zabriskie House. This home, still transfixed in time, is now a cherished local museum open to the public during the holiday season.

These historic structures provide a unique cultural heritage to the Wyckoff community. In 2019, the Wyckoff Township Committee enacted new Historic Preservation legislation to safeguard the tradition of these Wyckoff homes by preserving the structures and sites as designated landmarks. In 2019, the Township created a new Historic Preservation Commission to oversee and act as stewards to promote their preservation and raise citizen awareness. Forthcoming are plans to incorporate these sites into the Historic Element of the Wyckoff Master Plan.

Wyckoff’s historic homes enrich the cultural value of

our community by telling stories about Wyckoff - once upon a time. Protecting these landmarks helps us maintain a physical connection to our past and to preserve the worth of history for us and future generations.

We hope you will enjoy the 2023 calendar and invite you to take a trip into the past where you can learn more about Wyckoff’s yesteryear, its early farmlands, culture, and the traditions of many of our former generations. Preserving these historic homes will help to sustain the memories of long ago and behold the future of Wyckoff. You can visit the Township website at [www.wyckoff-nj.com/historic-preservation-commission](http://www.wyckoff-nj.com/historic-preservation-commission) to learn more about these great homes.

We want to extend our heartfelt gratitude to the homeowners- the guardians and caretakers of these beautiful historic homes. We would also like to thank the many businesses whose advertising support makes this calendar possible. Please show your appreciation by supporting these businesses.

## Cairns-Whitten Blauvelt House

This elegant house, located at 160 Ravine Avenue, was situated on a 202 acre parcel of the original Ramapo tract and is identified on maps dating back to 1767. The third owner was James Blauvelt, hero of the battle of Liberty Pole in the Revolutionary War. He established "Blauvelt's Mill" on the "Depe Voll" (Deep Brook).

*Richly detailed woodwork graces the staircase to the second floor.*

## Cruse-Hossington House

This 18th Century farmhouse, nestled deep in an expansive parcel at 301 Newtown Road, can perhaps be dated precisely to 1798, which is the year inscribed on a stone over the front window. This classic Dutch stone house has retained much of its earlier character, including the restored stone well that graces the front lawn.

Folly House  
c. 1775

## Folly House

The Folly House, which dates back to the late 18th Century, is located at 310 Crescent Avenue. It still retains its farmhouse character, both outside (as seen) and inside (with its boxed stairway, low ceilings and low doorways). The earliest known owner or leaseholder was Abraham Blauvelt, who acquired it in 1787.

# John C. Stagg House

Although it is believed to have 18th Century origins, the Stagg House is said to have been built on a pre-Revolutionary foundation by Cornelius Stagg, a private in the Bergen County Militia. The home, located at 308 Sicomac Avenue, once housed a grocery store in the cellar.

*This arch in the cellar was built to support the weight of the fireplace upstairs. Evidence of early shelving can still be seen.*

## Terhune House

This tastefully re-designed 18th Century home, located at 161 Godwin Avenue, is on the original 146-acre Ramapo Tract purchased by Johannes Van Zile in 1745. The original section of the house was a classic early Dutch stone design – a large main room, fireplace at each end and sleeping loft. An addition was built in 1877, followed by two more expansions, in 1895 and 1960.

## Albert Van Blarcom House

Another fine example of 18th Century architecture, the Albert Van Blarcom House is located at 250 Crescent Avenue on a beautiful lot that serve as an appropriate setting for this historic gem. A second floor has been added to the original 1 1/2 story structure. It has been identified on an 1850 will of John Van Blarcom.

*Deep set windows are a feature of many of the early stone houses, given the relative thickness of the walls.*

# Van Blarcom-Jardine House

This 18th Century home, located at 380 Wyckoff Avenue, is a fine example of an early stone house, although it has undergone major roof changes in the original section. It is listed on the Hopkins-Corey Map of 1861 under the name "J. Van Blarcom."

*The house features both quarter-circle and semi-circle window frames.*

*A storage space is built into the fireplace in the living room.*

## Van Horn-Ackerman House

The smallest part of the house, the kitchen, is the earliest section of this pre-Revolutionary homestead, located at 101 Wyckoff Avenue. The large main portion of the house is also believed to have been built before the Revolution. The Van Horns were Tories and probably faced difficult times after the war.

# Van Houten- Ackerman House

This distinguished 18th Century home, also known as "Wellsweep," is located at 480 Sicomac Avenue and believed to be the original Van Houten House of the area. Beginning with the same humble one-room origins as many of the stone houses, it has grown considerably over the years but still includes much of its original architectural detailing.

*An interesting feature of Wellspring is the Walter Parcell outbuilding – a tenant house – which was moved here from Closter in 1974.*

*Evidence of an old Dutch "bee hive" oven can still be seen in the basement.*

*The kitchen is framed by original pegged beams.*

# Garbage & Dual Stream Recycling Information

## Help Wyckoff Save Tax Dollars

Disposal of household garbage is an important and costly municipal service. Residents can help by increasing recycling – every additional pound of recycling or garbage otherwise kept out of the waste stream generates savings for Wyckoff.

For instance, if you are considering throwing away a sofa, chair, or other large item, consider donating it to a charity or post it on one of the many websites available as an option.

Bring your branches and other garden waste to our Recycling and Conservation Center, where it will be composted. Get a composter – about 30% of the average family's garbage is compostable. Call our recycling information line at 201-891-7000 ext. 1010 for information on cost and pick-up of a composter in Wyckoff. Information on this page and on the Recycling/Trash page of our website provides other ideas on reducing your residential garbage "footprint" and helping us to save tax dollars.

## Keep Appliances and Metal Bulk Items Out of the Waste Stream

Every Wednesday, the Wyckoff DPW will pick up appliances such as residential room air conditioners, dehumidifiers, stoves and residential refrigerators and freezers (**with doors removed**). Simply call 201-891-7000 ext. 1010 to request curbside collection. These appliances may also be brought to the Recycling and Conservation Center, 476 West Main Street. Central air conditioning units are considered construction material and must be disposed of privately. A building permit must be obtained when replacing or installing central air conditioning systems.

**Starting in 2022**, the Township removed certain items from the regular curbside collection schedule and began scheduling pickups similar to appliances and metal bulk items. Items include: interior/exterior furniture; beds, mattresses and box springs; couches and carpets (rolled and tied); scrap wood (not to exceed 4 feet in length); boxes of clothes, shoes and garments; decorations; tables, desks and similar furniture. There is a limit of two items per collection.

## Bring Computers and Electronics to the Recycling/Conservation Center

A walk-in container is available for Wyckoff residents and Wyckoff businesses to recycle computer components and electronic devices. Accepted items include: computers, TVs, monitors, printers, DVD players, scanners, radios, telephones, fax machines and stereo equipment. Call 201-891-7000 ext. 101 for additional information or visit our website at wyckoff-nj.com under Recycling & Trash.

## Curbside Garbage Collection

**Residents can place the following items at the curb for their household curbside garbage and trash collections:** Table waste should be bagged and placed in a trash container. Broken mirrors must be taped and placed in trash container.

**Trash and recyclables must be placed at the curb prior to 6 a.m. of your pickup day, but not before 6 p.m. of the evening before. Containers must be removed by 7 p.m. of the pickup day.**

Residents may place **FOUR** containers per pickup at the curb during the twice-a-week collection schedule and **EIGHT** containers per pickup at the curb during the once-a-week collection schedule. Containers may not be larger than 45 gallons and are not to exceed 50 pounds. **Landscaping barrels may NOT be used because their large size makes them difficult to handle.**

## Materials NOT collected in household garbage pickup:

- Electronic equipment
- Household appliances and metal bulk items
- Construction and demolition debris including all types of building materials, as well as rugs and carpet
- Permanent fixtures, such as toilets, sinks, tubs, etc.
- Fences (if metal, bring to Recycling/Conservation Center)
- Swing sets (if metal, bring to Recycling/Conservation Center)
- Aluminum sheds (bring to Recycling/Conservation Center)
- Windows/doors, garage doors ■ Grass clippings ■ Pianos

- Pool filters and heaters ■ Glues and adhesives ■ Wood, wood pallets and fireplace wood ■ Railroad ties ■ Propane tanks ■ Fluorescent light bulbs ■ Furnaces (ask vendor installing new furnace to take old unit) ■ Oil-and water-based paints, shellacs and wood preservatives ■ Hazardous waste

For a comprehensive list of items and how to dispose of them visit [wyckoff-nj.com](http://wyckoff-nj.com) and click on Recycling & Trash, then click on Disposal Reference Guide for the Reference Table: Disposal of Solid Waste/Recyclables

## Disposal of Construction Materials and Unusual Items

As part of the construction planning process, provisions must be made by the property owner for disposal of these construction-related items. (It is unfair to expect other residents to assume these costs.)

Property owners must comply with Township garbage and recycling regulations when undertaking any renovation or structural alteration of their home. Materials such as cardboard, ferrous scrap and white goods must be recycled and a receipt from the recycling market must be provided prior to receiving a Certificate of Occupancy.

If you are in need of special pickups, Google "Garbage Removal" for a list of private contractors who dispose of construction materials, garage doors, pianos, furnaces, fences or any other unusual items. These private services may also be useful if, due to an impending move or other circumstance, a property owner has a large volume of disposable materials.

If you are installing carpet, new fixtures or appliances, instruct the installer to dispose of the carpet, old appliances or fixtures.

**Are you planning a move or emptying your attic, garage or basement?** A quick on-line search will provide options for disposal when your volume of trash exceeds the container limits.

### Important Trash & Recycling Reminder

Please remember that containers should weigh no more than 50 pounds and should be no larger than 45 gallons.

# Dual is Cool

## DUAL STREAM RECYCLING

Complete information about the program can be found on the next page.

### Places to Recycle Old Clothes, Shoes, and Books

- Two bins are located behind Town Hall and between the Fire House and the Ambulance Corps buildings. (clothes and shoes only)
- One bin is located at Fire Company 2, 180 Wyckoff Avenue. (clothes and shoes only)
- More bins can be found at the Recycling/Conservation Center at 476 West Main Street, which is open daily and on Saturdays. (clothes, shoes, books, DVDs, CDs)

### Vegetative Waste Collection

Vegetative Waste Collection occurs the first Thursday for Districts 2, 3, 6, and 7 and the first Friday for Districts 1, 4, 5, and 8, beginning April 6 and ending October 6. Please refer to the street index for your District.

### Medicine Disposal Available

Residents may drop off unused or expired medicine, either prescribed or over-the-counter, at the Wyckoff Police Headquarters in Town Hall at 340 Franklin Avenue. The office is open Monday through Friday, 9:00 am to 4:30 pm, and on Saturdays between 9:00 am and 1:00 pm. Please remove any labels which contain personal information. **Syringes/Epipens not accepted.**

### Personal Paper Recycling “Shredfest”

Every year, the Township offers a town-wide opportunity for residents to shred their personal paper documents at no charge. Residents will also have the opportunity to dispose of clean, dry unwanted styrofoam for recycling. Packing peanuts and food containers are not accepted. Register your email at [wyckoff-nj.com](http://wyckoff-nj.com) to receive a notice of this event.

### No Garbage Collection on Holidays

Check below for the holiday garbage pickup schedule in your area.

#### NO GARBAGE AND TRASH PICKUPS ON:

Holiday	Alternate Pickup
Thanksgiving Day .....	Thursday collection route will be collected on Friday, November 24
Christmas Day – Special pickup for Districts 2, 3, 6, 7 .....	Wednesday, December 27

### Three Ways to Recycle Your Grass After Mowing

1. As a “green” alternative, consider the “cut it and leave it” approach which will actually benefit your lawn by returning nutrients and organic matter to the soil. Grass clippings returned to the lawn can provide up to 25% of your lawn’s total fertilizing needs.
2. Residents also have the option of taking grass clippings to the Recycling and Conservation Center at 476 West Main Street.
3. Home compost your grass. Mix your grass with flowers, leaves and twigs. Turn the pile over at least once or twice a month to foster decomposition and healthier compost. Compost is great for suppressing weeds and holding in soil moisture. Spread a two to four inch layer around the base of plants, adding new layers over time.

**Landscapers are not permitted at the Recycling and Conservation Center.**

### Recycling & Conservation Center Hours

The Recycling/Conservation Center at 476 West Main Street is open for the convenience of Wyckoff residents and businesses during:

#### September through April

Monday through Saturday, 9:00 a.m. to 3:00 p.m.

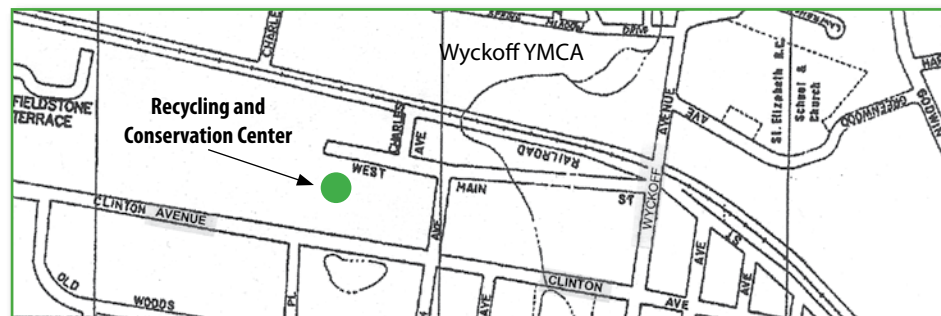

#### May through August

Monday and Wednesday through Saturday, 9:00 a.m. to 3:00 p.m.

Tuesday, 11:00 a.m. to 3:00 p.m. and 6:00 p.m. to 8:00 p.m.

**Materials accepted** at the Recycling/Conservation Center: glass food or beverage containers, steel cans, aluminum cans, coated paper food cartons, plastics #1, 2, and 5\* (all other plastics should be discarded in household trash), scrap metals, appliances (**refrigerators and freezers with doors removed, washers, dryers, etc.**), computers and electronics, rechargeable batteries, lawn mowers and snow blowers (without oil, gas or rubber tires), corrugated and single-ply cardboard, newsprint, paperback books, junk mail, magazines, grass, leaves, branches (under 3 inches in diameter), vegetative waste, Christmas trees, clothes, shoes, and hardcover books. Plastic bags of any kind or color are not recyclable. Place them in your trash or return them to the retailer.

*\*Styrofoam is not permitted*

## Cardboard & Mixed Paper Recycling

- **Newspaper**
- **Cardboard** (flattened)
- **Mixed Paper:** junk mail, magazines, paperback books, cereal boxes, paper bags, catalogs, office paper, and envelopes

Use cardboard boxes, reusable bins or paper bags to hold your cardboard/newspaper/mixed paper recycling.

Paper should be dry. It should not be bound with tape, twine or rope.

Secure containers with a lid, especially on windy and rainy days.

**No plastic bags! Only pizza boxes with no grease stains!**

**All of these items are placed at the curb every other week.**

## Bottles, Cans and Plastics #1, 2 and 5

- **Steel & Tin Cans**
- **Glass Bottles & Jars** (no lids)
- **Aluminum Cans**
- **Plastic Bottles & Containers #1, 2, and 5 only** (no lids)
- **Coated food/beverage cartons**

Recyclables need to be empty, rinsed, clean, and dry. Items should not be bagged.

**No plastic bags!**

**All of these items are placed at the curb every other week.**

# Dual is Cool

## DUAL STREAM RECYCLING

The **Recycle Coach** app, available at the App Store or Google Play, is like your virtual personal assistant. Download this **free** app and receive reminders of your next garbage, recycling, and vegetative waste collection dates.

## Items Prohibited From Recycling Collection

- NO greasy pizza boxes
- NO polystyrene foam or plastic #6
- NO hardcover books
- NO plastic bags of any kind or color
- NO caps, lids, tops or straws
- NO large metal items
- NO rubber or plastic hoses (i.e. garden hoses or electrical cords)
- NO plastic food trays of any kind
- NO plastics #3, 4, 6 & 7
- NO plastic flower or plant pots
- NO light bulbs or strings of light
- NO disposable coffee cups
- NO food waste or recyclables with food residue
- NO hazardous waste
- NO sharp objects, syringes, needles, or medical waste
- NO styrofoam
- NO vegetative waste
- NO used diapers
- NO wrapping paper

**A new law in New Jersey went into effect that is designed to reduce single use plastic and paper litter.**

What can you do to support **Bag Up NJ**?

- Bring your own reusable shopping bag when you go to the store.
- Recycle your plastic bags at retail stores.
- Decline a straw when offered or bring a reusable straw.

**In order to meet the market demand for "clean recyclables" do not place plastic bags and greasy pizza boxes with your recyclables.**

Avoid using single-use plastic bags! The best shopping bag is a reusable bag that can be used over and over again. Reusable shopping bags help to reduce litter and pollution, decrease the waste production cycle, and promote sustainability. Best of all, they're cost-effective.
