

WYCKOFF VOLUNTEER FIRE DEPARTMENT NEEDS YOU!!

- ✓ *Do you live in town?*
- ✓ *Do you live in a town which shares a border with
Wyckoff?*
- ✓ *Do you work in Wyckoff?*
- ✓ *Are you interested in being involved in your community?*

Volunteer firefighters give back to their community. The fire house becomes a second home. Experience the sister and brotherhood for yourself. Serve with neighbors, make new friends and help your community together by joining the firefighting family.

No fire-fighting training? No worries! We will send you for professional-grade Fire Fighting Training at no cost to you. You'll be well prepared and properly guided to perform your duties safely.

Honor, loyalty and dedication have been the cornerstones of the volunteer fire service for centuries. It's an incredibly rewarding job that pays back in the respect you earn from your community and your peers. You'll work with a team to develop critical problem-solving leadership skills in intense conditions. The connections you make among your fire fighting family can lead to everything from great friendships to career opportunities.

At its core, the fire service is an incredible opportunity to change your life. We place a premium on hard work and self-improvement. New skills and leadership development will make you a stronger member of your family, community and workplace. Learn, teach, network – do things you never thought possible in places you never thought you'd go.

***The Wyckoff Fire Department is 100% VOLUNTEER
and we need you!***
