

Help Wyckoff Achieve the

Wyckoff

“Nifty Fifty!”

A 50% residential recycling rate will save Wyckoff taxpayers \$100,000 a year!

Every pound recycled generates immediate savings for Wyckoff.

2016 Recyclables and Trash:

2,797 TONS of recyclables for a 34.09% recycle rate and 5,409 TONS of trash trucked 85 miles to a landfill in Pennsylvania

Nifty Fifty Goal: 50%

Recycle 1,305 more TONS of trash

REMEMBER

Most of your trash and recyclables are going out to the curb – how you separate them makes a big difference! Don't treat your Recyclables like Trash!

Recycle, Recycle, Recycle!

Branches and yard waste = saving for Wyckoff

Other Ways to Help:

Donate...

Donate your appliance or usable furniture to a charity or post it on one of the many websites available.

Compost...

We have composters available in Wyckoff for pick-up

Put a lid on your trash cans...

Wet trash weighs more, so it costs more to haul away.

Don't collect your grass clipping...

Leave them to compost your lawn natural.

Spread the word...

Put a Nifty Fifty sticker on your trash cans. Available at Town Hall.

Visit wyckoff-nj.com/NiftyFifty for more information and updates.

Thank you!
