**I      Resolutions (Adoption of the following):**

**#14-201      Chapter 159-Drive Sober**

**WHEREAS**, NJSA 40A:4-87 provides that the Director of the Division of Local Government Services may approve the insertion of any item of revenue in the budget of any county or municipality when such item have been made available by law and the amount was not determined at the time of the adoption of the budget; and,

**WHEREAS**, the Director may also approve the insertion of an item of appropriation for equal amount.

**TOWNSHIP OF WYCKOFF  
TOWNSHIP COMMITTEE REGULAR BUSINESS MEETING  
SECOND FLOOR MUNICIPAL COURT ROOM  
TUESDAY, AUGUST 5, 2014**

**NOW, THEREFORE, BE IT RESOLVED**, that the Township of Wyckoff, County of Bergen, State of New Jersey, hereby requests the Director of the Division of Local Government Services to approve the insertion of an item of revenue in the budget of the year 2014 in the sum of \$5,000.00 which is now available from the 2014 Drive Sober; and,

**BE IT FURTHER RESOLVED**, that the like sum of \$5,000.00 is hereby appropriated under the caption 2014 Drive Sober; and,

**BE IT FURTHER RESOLVED**, that the above is the result of funds from the 2014 Drive Sober in the amount of \$5,000.00.

**#14-202      In Opposition to A-947/S-2211-Release of Bidder's List Prior to Bid Opening**

**WHEREAS**, A-947/S-2216 would require municipalities, counties and local authorities to release the names, upon request, of all parties who have received bid documents prior to the bid opening once three or more bid packets have been obtained; and,

**WHEREAS**, failure to release this information would prohibit a municipality from accepting the bids and require the re-advertisement for bids; and,

**WHEREAS**, the Appellate Division's decision in O'Neill Electric Co., Inc. v. the Board of Chosen Freeholders of the County of Warren, 297 N.J. Super. 473 (App. Div. 1997) stated that "access to a bidders list facilitates collusive or bid-rigging arrangements and that withholding disclosure makes this more difficult." Id. at 480. The Court went on to say that bid rigging is an "extremely serious problem, which costs the public enormous sums of money. The relatively insignificant interest of plaintiff and *amici* in obtaining bidders lists cannot overcome the grave danger to the public resulting from a failure to keep the door tightly closed to potential corruption in public bidding." Id.; and,

**WHEREAS**, the governing body of the Township of Wyckoff agrees with the court in the O'Neill decision and we are concerned that the release of the bidders' names prior to the receipt of bids could lead to collusion, bid rigging and cost taxpayers more; and,

**WHEREAS**, the benchmark of "three or more bids" before the release of the bidders' list is an arbitrary benchmark that will require taxpayers to pay for costly litigation; and,

**WHEREAS**, the provisions of A-947/S-2216 will require a municipality to create and maintain a new record; and,

**WHEREAS**, contractors have long argued that release of the bidder's list may force contractors to "sharpen their pencils." The governing body of the Township of Wyckoff question why can't these "pencils be sharpened" regardless of the number of bidders or who is bidding on the project; and,

**WHEREAS**, the governing body of the Township of Wyckoff strongly supports an open and competitive bidding process and supports the release of bidders names and prices after a bid opening as currently exists from the O'Neil Electric vs. Warren County decision and there is no need for this special legislation.

**NOW, THEREFORE, BE IT RESOLVED**, that the governing body of the Township of Wyckoff strongly opposes A-947/S-2216 since it will be cost generative to taxpayers; and,

**TOWNSHIP OF WYCKOFF  
TOWNSHIP COMMITTEE REGULAR BUSINESS MEETING  
SECOND FLOOR MUNICIPAL COURT ROOM  
TUESDAY, AUGUST 5, 2014**

**BE IT FURTHER RESOLVED**, that a copy of this duly adopted resolution be sent to Governor Christie, Senate President Sweeney, State Senator O'Toole, Assemblymen Rumana and Russo and the League of Municipalities.

**#14-203      Payment of Bills**

**WHEREAS**, the Township of Wyckoff is a municipality in the State of New Jersey operating under the authority from NJSA 40A:63-1 et seq; and,

**WHEREAS**, the Township of Wyckoff has received vouchers in claim for payment of materials supplied and/or services rendered; and,

**WHEREAS**, the said vouchers have been reviewed and the amount indicated on each voucher has been determined to be due and owing; and,

**WHEREAS**, the Township Committee has a practice of each Township Committee member participating in the reviewing and signing of vouchers; and,

**WHEREAS**, the vouchers which comprise this bill list have been reviewed and signed by two (2) Township Committee members and they have found them to in order; and,
